

# Natural Paver Colour Collections

# COME HOME TO COLOUR, LIFE & PGH PAVERS.

## THE NATURAL LOOK OF PAVERS

Formed from all natural Australian clay, sand and shale, PGH Pavers are fired to produce long-lasting colour, strength and beauty. They're one of the most practical and attractive options for outdoor areas. With their durable surface, PGH pavers are right at home in courtyards, alfresco living and entertaining areas, patios, paths and driveways. Available in a range of stunning colours and rustic, wirecut textures, you are sure to find the ideal PGH Paver for your outdoor space.

PGH Pavers are made in Australia and backed by CSR. They require minimal maintenance long-term and come with a 10 Year Warranty.

## WHY CHOOSE PAVERS?

**Sustainable** – made with natural raw materials or natural colours

**Low maintenance** – enduring colour, so no need to paint

**Design flexibility** – whatever the design, there's a paver to suit your individual needs

**Strong and safe** – durable, non-combustible, termite resistant, won't rot or decay

## PAVER SPECIFICATIONS

State availability	NSW, ACT, QLD, SA, VIC, TAS
Place of Manufacture	NSW
Length (mm)	230mm
Width (mm)	114mm
Height (mm)	50
Weight per Paver (kg)	2.95-3.0kg

Coefficient of Expansion (em) (mm/m/15 years)	<1.2%
Potential for Lime Pitting	Nil to slight
Potential for Efflorescence	Nil to slight
Pack Weight (tonne per pack excl. pallet)	1.46
Slip Resistance	P5

## TECHNICAL DATA

## COLOUR VARIATION

Products (including from batch to batch) may vary regarding colour and surface finish due to manufacturing processes and raw materials used. We recommend that required pavers be ordered in one consignment.

## WARNING

The fine dust in/on the PGH pavers may include respirable crystalline silica. Cutting, breaking, drilling, sawing, grinding, and finishing may generate dust which is hazardous. Recommendations on exposure controls and personal protection should be followed. **DISCLAIMER:**  
Information in this brochure is general only and is not a recommendation to use any of our products. Always obtain specialist advice to ensure our products, and their intended use, meet your requirements. If product images are shown, colours are represented as accurately as possible but we recommend checking your chosen product against a sample (or in a selection centre) before purchasing as digital representations may affect colour tones and finishes. In addition, products (including from batch to batch) and samples may vary regarding colour and surface finish due to manufacturing processes and raw materials used. For further information please contact our Customer Service Centre on 13 15 79.
