Garden and
Pool - Ronnie
& Georgia.

There's a reason why bricks are Australia's most loved building material. Not only are they beautiful, durable and able to be used in a huge variety of home designs and styles - but they also work flawlessly both inside and out!

PGH Bricks & Pavers are thrilled to be the preferred brick supplier for The Block for another year. Read this fact sheet to explore your style, be inspired and unlock the endless possibilities of building with brick.

House 1. Garden & Pool

Ronnie & Georgia

Ronnie and Georgia used East Hampton brick facings from our Manhattan range to create their stunning feature wall in the back garden and beside the pool. Our Manhattan range is all about bricks that hero the imperfections of a weathered and tumbled finish. They used stretcher bond patterning and off-white mortar to create a minimal pared back and sophisticated look.
