Key themes

A timeless and always modern building option, brick blends beauty, form and function, with the unique ability to meet any design aesthetic - from Classical right through to Contemporary. We loved how the teams on The Block this year used the colour, strength and texture of brick in different aspects of their builds to bring their homes to life.

Not everyone can name their personal style, but most people recognise it when they see it. Discover your Style with PGH Bricks.

Inside & outside spaces

Using brick allows you to create seamless design flows between indoor and outdoor spaces, creating cohesive areas that perfectly mesh with the quintessential Australian lifestyle.

On this season of The Block, Ronnie & Georgia used our Manhattan East Hampton brick facings as flooring in their wine cellar and as a stunning outdoor feature wall and beside the pool.

Make a statement

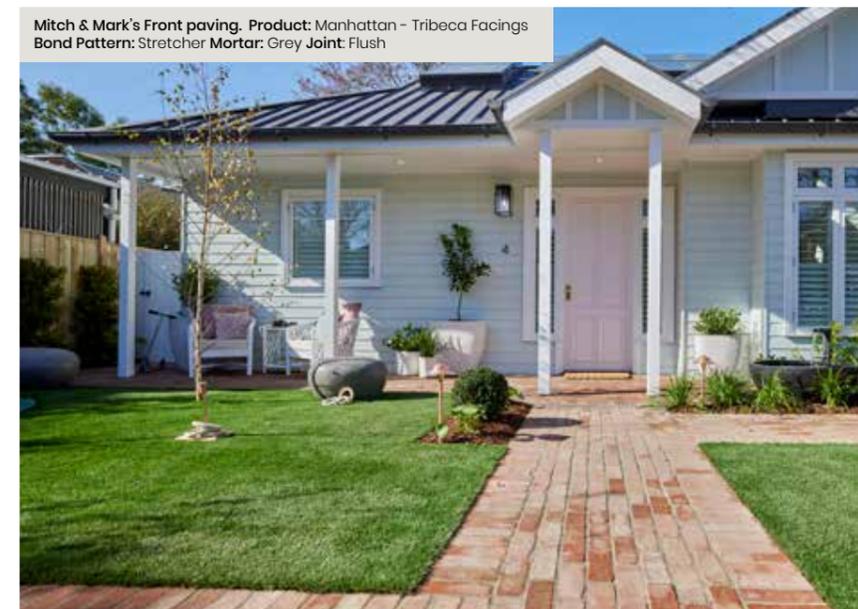

Choosing to use brick allows you to create truly timeless interiors and exteriors that can seamlessly span across any style.

Tanya & Vito created a beautiful statement brick fireplace in their living and dining room, that perfectly blends with the Mid-Century feel of their house.

Brick can also be used to create a variety of interesting architectural features, like Ronnie & Georgia's gorgeously textured flooring patterns in their wine cellar.

Brick paving

Mitch & Mark created a stunning front entertaining area, garden path and front paving with our Manhattan Tribeca raw and recycled bricks.

The possibilities with brick are infinite and you definitely don't have to stick to the conventional walls and fencing.

New Neutrals

Minimal, timeless and organic, New Neutrals epitomises effortless style. Adding glowing ambience to any home. Its warm palette provides design flexibility that defines architectural interior and exterior features with ease.

Modern Industrial

Brave, raw and honest in spirit, Modern Industrial's clean lines and edgy finishes are the very definitions of cool contemporary living. Embodying a strong utilitarian aesthetic, Modern Industrial honours natural building materials.

Warm Earth

The intrinsic flexibility of Warm Earth's strong confident palette means it can be applied to many styles of architecture. Its grounding shades provide a sense of calm and imbue a sophisticated yet understated aesthetic.

Grey All The Way

Strong, simple and versatile, Grey All The Way blends style and function with ease. Equally at home in a modern setting as it is in a period home, it is a timeless yet contemporary scheme that is easy to apply and beautiful to live with.

Hamptons At Home

Fresh, crisp and classic, Hamptons At Home expresses the Australian way of life. Embodying a warm and pared-back sensibility with a fresh, invigorating palette, Hamptons At Home beautifully brightens and enlivens any home and garden.

Luxury Noir

Allow your home to take a sophisticated textural turn with Luxury Noir. Its rich opulent palette sets the scene, delivering true glamour to any space that is cutting-edge yet warm and inviting.

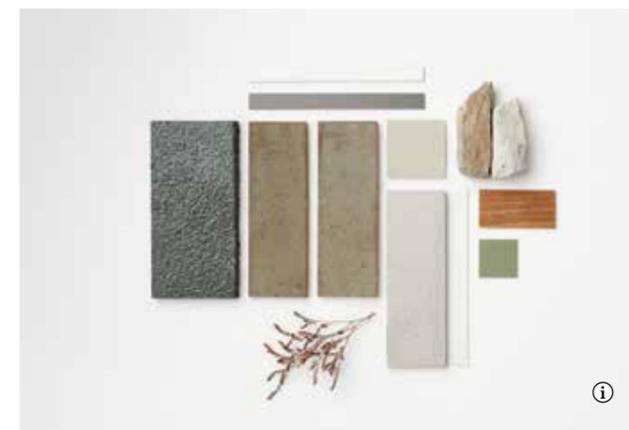

Dark & Stormy

The perfect foundation for a modern environment, Dark & Stormy encompasses a wide spectrum of moody shades that invigorates interiors and exteriors for a sense of drama that is anything but sombre.

Natural Habitat

Authentic, calming and positive, Natural Habitat offers a palette of nature-inspired hues of warm browns, soft forest greens and gentle neutrals. Natural Habitat is a relaxing palette steeped in nature that provides connectivity and inherent simplicity.

Painted Whites

Cool, calm and dynamic in a palette of sun-washed whites, creams, mist and barely-there blues, Painted Whites is a modern refresh for any interior or exterior with its tranquil alabaster palette with fresh, natural, cream-toned bricks.

Which Style are you?

Whether you are building or renovating, the PGH Style Quiz will help you identify your unique style and express it with confidence in your home, from the outside all the way in.

House 1.

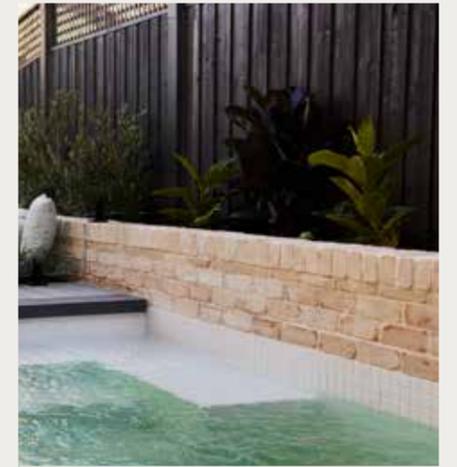

Ronnie & Georgia

The Classic and Contemporary style of House 1 features our Manhattan East Hampton brick in 4 areas of the build - inside as cellar flooring, pool feature wall, garden retainer and lastly an impressive 50m² front fence! The continuity Ronnie & Georgia achieved by using the same brick inside and out creates a stunning pared-back and sophisticated final look.

Mitch & Mark

Mitch & Mark inspired us with a modern take on their Federation Style home. Their front pavers created raw authenticity and understated contemporary styling with a neutral colour scheme for their front facade, contrasted with our tumbled Manhattan Tribeca bricks. The intrinsic flexibility of a warm terracotta brick brings bold confidence to the exterior look.

House 4.

Josh & Luke

Distinct in character and classic in style, the painted brick look offers infinite possibilities and fits beautifully with any architectural style. Josh & Luke went with our rumbled bricks for their feature front fence, painted white. Our top tip - consider the tactility of the brick texture before painting; smooth or rough, the natural texture and beauty will shine through!
